Detailed Bug Reports

1. Incorrect password shows no error message

Bug ID: BUG-001  
Module: Login  
Severity: High  
Priority: High  
Environment: Chrome v120, Windows 10  
Steps to Reproduce:

- Go to the Demoblaze login page.
- Enter a valid username but an incorrect password.
- Click the "Login" button.  
**Expected Result:** An error message like "Incorrect password" should be displayed.

**Actual Result:** No error message is displayed; the page refreshes without logging in.

---

## 2. Items disappear from cart after page refresh

**Bug ID:** BUG-002

**Module:** Cart

**Severity:** Critical

**Priority:** High

**Environment:** Firefox v118, macOS Ventura

**Steps to Reproduce:**

1. Add any item to the cart.
2. Click the cart and confirm that added items appear.
3. Refresh the page.

**Expected Result:** The cart should retain added items.

**Actual Result:** Cart is empty after refresh.

---

## 3. Payment button unresponsive

**Bug ID:** BUG-003

**Module:** Checkout

**Severity:** Critical

**Priority:** High

**Environment:** Edge v110, Windows 11

**Steps to Reproduce:**

1. Add items to the cart and proceed to checkout.
2. Fill in payment details.
3. Click on the "Pay" button.

**Expected Result:** Payment should be processed, and an order confirmation should appear.

**Actual Result:** Nothing happens when clicking the "Pay" button.

---

## 4. User is not logged out after clicking logout

**Bug ID:** BUG-004

**Module:** Logout

**Severity:** Medium

**Priority:** Medium

**Environment:** Chrome v120, Windows 10

**Steps to Reproduce:**

1. Log in to the Demoblaze website.
2. Click on the "Logout" button.
3. Navigate back to any page.

**Expected Result:** User should be logged out and redirected to the login page.

**Actual Result:** User is still logged in when navigating back.

---

### Next Steps:

- Execute regression testing after bug fixes.
- Update status when bugs are resolved.
- Report new bugs if found.
